*Keep
faithfully
giving!*

As a reminder, your offerings are still needed. Through your gifts, we can continue to keep our lights on, to compensate our staff, and to continue to offer meaningful experiences that keep us connected. You may send your donations through the mail or drop them in the mailbox across the street from the church. E-giving continues to be the most efficient way to ensure your continued support of our church. You can download, fill out, and send in the e-giving form using the web address below if you would like to begin e-giving. Also, we continue to receive offerings for our Lenten giving opportunity, R.I.P. Medical debt. For every \$1 donated, \$100 dollars of medical debt is forgiven. Please just mark "R.I.P. Medical debt" on the envelope when you send in donations.

*At-Home
Volunteer Opportunity!*

At this time, we are looking for individuals who would be interested in volunteering opportunities you can do from home such as making phone calls, sending cards, or doing small projects. If you would be interested in helping with any of these things, please sign up using the link below. Please note this is an interest check only. We will contact you later with further details.
