

**Scripture: Exodus 20:17 (CEB)**

Do not desire your neighbor's house... or anything else that belongs to your neighbor.

**Main Idea:**

When we desire what other people have that is newer, bigger, or different than what we have—we forget to thank God for all of the wonderful things God has given to us. When we let jealousy lead our hearts, it is hard to be happy.

**Activity:**

Create your recipe for happiness from things and people you have in your life. What has God already given you to be thankful for and bring you joy? You can draw pictures and/or write words.
