

Theme: Thankful for the Saints of Today

Main Idea: God has created all of us beloved and given us each special gifts and talents to share in the world. How amazing that God has made us each a Saint!

Activity:

On the next page, you are given a heart with many pieces. Today in worship we are focusing on being thankful for the many Saints in our lives. Your challenge is to fill each piece of the heart in with a color or picture of a different person you are thankful for in your life.
