

**Scripture:** 1 Thessalonians 5:14-15

**Main Idea:** We are looking at pursuing the good in worship. 1<sup>st</sup>

Thessalonians 5 gives us lots of ways to pursue the good. The first is to give warnings to others who are doing unloving or dangerous things.

Road signs give us a warning that we should change what we are doing—slow down, watch for deer, STOP. God wants us to be signs to others so they know to act in ways that are safe and show God’s love to others.

**Activity:**

You’ve been given 2 blank road signs. Draw pictures and add words of signs you would make to show others how to act in ways that God would want us to.
