Theme: Set: Equipped by God

Think: Our Bible is a really big book that has lots of suggestions on how we can follow God best. Sometimes that can feel like it's too much and we can feel sad because we can't get it all right. Today we are being reminded in our Bible readings that even when we are worried we aren't as set, or prepared, to go, as we think—that God has got us. God prepares us exactly for what we need. We don't have to have every little thing right. We can pray and trust that God is with us. And we can do a lot of good for God without doing everything perfect. So, no matter how we are feeling—we are actually already ready for the race.

Do: On the next page is a maze of a church that has many starts and many ends. Take a few paths and remember that we all are called by God to do different things—and you have been made perfectly to share God's love in the way God needs you to.
