**Bible Reading:** Matthew 4:18-22, Matthew 28:16-20

**Think:** In our Bible stories today, Jesus is calling people to go out in the world to do God's work. These people are called disciples. And there is something really neat about these people in that there is absolutely nothing out of the ordinary about them. They are just like you and me. In fact, Jesus says that he wants ALL people to go into the world as his disciples. Which means—that job is not just given to people built with superhero abilities. We are all built to do God's work. We like different things and be good at different stuff—and it is really fun that God calls us all to go.

**Do:** Help build God's disciples to go out into the world. Decorate these mini-figures in different ways to remind yourself that each one of us is given the really important job of disciple.
