God's Story: Matthew 10:29-31

Wonder: In our Bible reading from Matthew, a book found in the New Testament of our Bibles that tells the story of the life of Jesus, we hear something pretty unbelievable this week: God knows how many hairs are on your head. WOW! Now, if anyone else told me they knew how many hairs were on my head, I wouldn't believe them—but with God, I trust all things are possible. It's pretty amazing to know that God cares about you SO much that God even knows how many hairs you have on your head at any given moment. Can you imagine that kind of love? It's a kind of love we can feel safe in, because even the hairs on our head that fall out in our hairbrush are accounted for. It's truly amazing!

Act: Draw a picture of yourself with all of your beautiful hairs on the page below. If you are willing to share, gift the drawing to Pastor Amy to hang in her office!

Connect: God cares about EVERYTHING that is us. There is nothing too small or too silly to take to God in prayer. When we feel worried we just need to hand it all over to God. Pretty cool, right?
